Reject Moses, Reject Christ

"For if ye believed Moses, ye would believe me; for he wrote of me. But if you believe not his writings, how shall ye believe my words?"

(John 5:46-47)

Is the Creation Account Literally True?

I Timothy 2:13-14 - "For Adam was first formed, then Eve. And Adam was not deceived, but the woman, being deceived, fell into transgression."

Mark 10:6-7 - "But from the beginning of the creation God made them male and female. For this cause shall a man leave his father and mother, and cleave to his wife."

I Corinthians 11:8 - "For the man is not of the woman but the woman of the man. Neither was the man created for the woman, but the woman for the man."

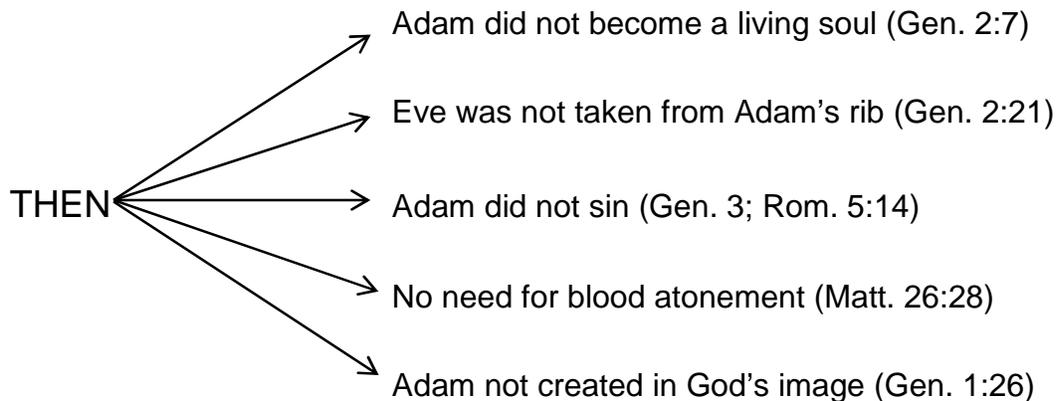

Romans 5:14 - "Nevertheless death reigned from Adam to Moses, even over them who sinned after the similitude of Adam's transgression."

107 verses refer back to Genesis 1-11

Literal Days Or Long Geologic Epochs?

1. Fruit trees and vegetation created on third day. Insects (creeping things – Lev. 11:21-23) were not created until the fifth day (Gen. 1:21-24). How did cross-pollination take place if the days were long epochs?
 2. Evening and morning infer normal 24 hour days.
 3. Adam died when he was 930 years old. Adam was created in sixth day and lived through seventh day when God rested. He would have been millions of years old if the days were millions of years.
 4. Vegetation created on third day (Gen. 1:11). Sun created on the fourth day (Gen. 1:14-18). Vegetation cannot survive without photosynthesis and sunlight.
 5. Exodus 20:10-11 says that man is to work six days and rest on the seventh (Sabbath) because God created the earth in six days and rested on the seventh.
